A MISSIONARY outreach supported by God's People

*Bibles * Tracts * Bible study courses * Bible study books * Audio sermons * Africa Crusades * Radio*

Greetings Saints:

I trust everyone is well, if not in body, in the Lord. There has never been a better time to be a Christian. The darker the world gets, the better even a small light shines.

Countries closed...

At the time of this writing, 108 countries remained closed by the USPS. In some countries, mail has been stopped from coming in. In other countries, the problem is the mail carriers are not at work due to the coronavirus. Four countries were opened recently. I ask you to pray that all the countries will open soon. More than 90% of our mail goes to countries that remain closed. I do not believe the virus can be anything more than the work of Satan. Anything that hinders the Gospel is of the Devil.

When the mail system reopens, which I trust will be soon, we have a large volume of mail to resend that has been returned to us by the postal system. Thousands of pieces of Gospel literature are stored awaiting the day we can send it again. We also have a large number of literature request to fill when the day comes we can send mail.

I thank you for your continued support during this time. You have kept this preacher encouraged. I have never gone through a time in my ministry that has brought this much stress and discouragement into my life. Having you by my side during this trail has kept me afloat. God bless you, and thank you kindly.

Tribute to a long-time supporter...

Our father began World Bible Missions in 1976. This is the 43rd year of this missionary outreach. As the years have passed, we have had to say goodbye to many friends and supporters. On May 27, we stood by the coffin of one of our most faithful supporters, **Sister Faye England**. I, and my father, have opened many envelopes from Sister Faye containing offerings for the mission outreach. The offerings were small, yet, no offering is small to God. She would place in the memo section of her check- "*to buy someone a Bible.*" We will miss this dear saint. The faithful kind are passing to the other side.

Africa visit August 3-14, 2020...

Finally, travel has opened to allow us to preach and teach in Tanzania, Africa. Brother John Mantooh will accompany us on the trip. We are thankful for his health allowing him to go for he is a good helper, dear friend, and good preacher well loved and received by the Africans. If you are able and feel led to help financially, your help is appreciated. This is our 13th trip to minister in Africa. I am anxious to be at the church in Arusha established last year, 2019. Bless the name of the Lord!

Read the letter on the other side of this newsletter. Thank you for enabling us to tell this soul about Jesus's saving grace.

Sincerely yours, eternally His...
